

# Akim Bakhtaoui

## Dancer & Choreographer

Akim, also known as **Alpha Extreme**, is one of the most well-known street dancers in Finland. He is familiar to many as a member of the group WFFF (Will Funk For Food). Akim is a versatile talent in street dance styles and a professional in contemporary dance."

### Biography

In the field, Bakhtaoui works as a choreographer, dancer, educator, and judge. He competes internationally and is known for his expertise in the art form of Locking. He is passionate about bringing street dance culture and its essence into the arts. By breaking the boundaries created by exclusiveness and making art accessible to a broader audience, he believes he can make a stronger impact on society. Akim strives to create artistic works that are engaging, thought-stirring, and approachable. Community, celebration, and inspiration are values close to his heart.

### Awards & Achievements
